REFRIGERATION

*Fisher & Paykel*

## RF342 CLASSIC REFRIGERATOR

### Fast Freeze

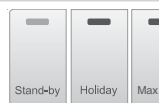

Drops the freezer temperature to its coolest temperature for 24 hours. Great for quickly freezing fresh foods.

### Max Cool

Quickly drops the temperature of the fridge compartment until the selected temperature setting is achieved.

### Holiday Mode

Temperature control is turned off in the fridge compartment with the air duct kept open to prevent odours forming. Freezer continues to operate normally.

### Cool Storage Drawer

Colder than the rest of the fridge compartment, this provides the perfect environment for storing a range of items including meat products and other highly perishable foods.

### Frost free refrigerator/freezer

Never have to manually defrost again.

### Door Alarms refrigerator/freezer

Reminds the user if the door has been left open – preventing the compartment from warming.
